### NOTICE

Please remember to be respectful when parking around school. Please refrain from using the Hospice car park as this is reserved for staff and visitors. We ask for greater consideration and request that you park in a side street and walk a few metres to collect or drop off your children.

Thank you for your continued support.

Well done to Dahl class for achieving the highest attendance last week!

It is important to refresh ourselves on the importance of your child's attendance to school. If your child is unable to attend school for any reason, please notify the school office of any absences before 9.30am, either via telephone or class dojo. If you know your child is going to be absent from school in advance for any reason, please complete an Absence Request Form located outside the school office.

For more information on our attendance policy please use the below link.

[Attendance policy](#)

No holidays will be authorised during term time unless they are due to exceptional circumstances and will be at the headteacher's discretion. We understand that children get poorly from time to time, but when is your child too ill to attend school? The NHS link below offers some helpful guidance for parents/carers as to when your child is required to be absent from school due to an illness.

[Is my child too ill for school? - NHS \(www.NHS.uk\)](#)

You can log onto your My Child At School (MCAS) account to view your child's overall attendance percentage for the academic year. We have included a chart outlining how the percentage is broken down and which category this falls into. Does your child's attendance fall into the GREEN category?

In addition to this, if your child's attendance for the academic year falls below 90%, you may be invited to come into school to meet with our pastoral co-ordinator who can offer support in working towards improving this.
