Thursday 11th January 2024  
www.hindleysaintpeters.wigan.sch.uk

Firstly, I would like to take this opportunity to wish you all a very Happy New Year. I hope you and your families had a wonderful Christmas break and found some time to make memories together and reflect on the year gone by.

As we begin a new year, I would like to introduce our new staff members; Mr. Stafford, who will be taking on the role of P.E Specialist & Mr. Simmonds who has been appointed as our site manager.

We have another busy term ahead and we look forward to sharing all the amazing learning, which takes place across school each and every day!  
Mrs James  
Associate Headteacher

## Our new Curriculum

**As we start a new year, we have a new approach with a new curriculum.**

We have always delivered a curriculum based on the National Curriculum subject expectations. We have used schemes of learning from White Rose Maths, Jigsaw, GetSet4PE, Questful RE and Essential Letters and Sounds for Phonics. We pride ourselves on delivering lessons based on evidence based research to give our children the very best learning. We have invested in a new curriculum, CUSP, for our foundation subjects to give children an even more ambitious curriculum and enrich the children's education. We have responded to the government recommendations for reading and our children have an additional 15 minutes per day at the end of lunchtime to read for pleasure.

### An introduction to CUSP

CUSP is an evidence-led curriculum that is built on the principles underpinned by the best cognitive and neuroscientific research available. Three core elements constitute the overarching curriculum offer: Cognitive load theory, Principles of Instruction and Generative Learning Practice.

### How are lessons structured?

Connect	Explain	Example	Attempt	Apply	Challenge
<p>Make Connections with previous learning through questions, quizzes, two things, give one and get one routines.</p> <p>Position and frame substantive concepts in context of this learning using Big Ideas map.</p> <p>For example, the concept of LIGHT connects to the SCIENCE domain of PHYSICS and the importance of understanding that LIGHT is made of waves that help us communicate.</p>	<p>Focus the learning question to help pupils attend.</p> <p>Introduce essential vocabulary in the context of the lesson.</p> <p>Use vocabulary modules and scripts to introduce new words.</p> <p>Be efficient with words and clear with explanations.</p> <p>RECEPTIVE LANGUAGE DEVELOPMENT</p>	<p>Make worked examples really explicit.</p> <p>Use diagrams, images, videos, artefacts to help articulate the content.</p> <p>Reduce number of slides on interactive boards.</p> <p>Use My Turn boards to capture the core content by writing on flip chart paper and hanging it up.</p>	<p>USE WHAT YOU KNOW</p> <p>Pupils practically have a go at selecting and organising the content you have taught them.</p> <p>DELIBERATE PRACTICE</p> <p>Develop receptive and expressive language. This enables pupils to rehearse and make sense of the learning.</p> <p>FEEDBACK – a great opportunity to Diagnose, intervene and Evaluate (Hattie) the learning taking place.</p>	<p>SHOW WHAT YOU KNOW</p> <p>Use teacher books to model page layout using double page spreads.</p> <p>Use CUSP Thinking Hard routines to help pupils explain and connect their learning.</p> <p>Use and apply vocabulary all the time. Make it unmissable and irresistible.</p> <p>Increase productivity through CUSP Hexagon pathways to explain content.</p>	<p>DEEPEN WHAT YOU KNOW</p> <p>Quizzes to increase the retrieval practice effect.</p> <p>Self-questions to develop richer knowledge of the content.</p> <p>Two things</p> <p>Blank hexagon pathways</p> <p>Open word paths</p> <p>Partial word paths</p> <p>Closed word paths</p>

A lesson may multiple parts to it. It may not be linear. You can introduce the dynamic phases of attempt into multiple phases.

**The long term plan for each class is on our school website.**

**Find out what your child is learning in the 'Take a Look' Curriculum tab on their class page on the school website.**

## Wigan Football Development

At Dean Trust Rose Bridge (Sports Hall)  
Holt St, Ince-in-Makerfield, Wigan, WN1 3HD  
Starting on Tuesday 30th January 2024

In association with First Kick Football

School years - Reception & Year 1	6:00pm - 6:45pm
School years - Year 2 & Year 3	6:45pm - 7:30pm
School years - Year 4, Year 5 & Year 6	7:30pm - 8:30pm

Dear parents,  
Places are now available to join a new 12-week football course every Tuesday at Dean Trust Rose Bridge, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football,' building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Blackburn Rovers, Preston North End, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan..

The cost of the course is just £5.83 per week, which is payable in two instalments. The first payment of £30 is due when booking your child on and the second payment of £40 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

### \*\*NEW TOURNAMENT FORMAT\*\*

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone the number below as soon as possible as a high response is expected.

Daniel

**TO BOOK PLEASE TELEPHONE**  
**01772 428 086 or 07514 316534**

We cannot be held responsible for loss or damage to property or clothing  
Please note we have a strict no refund policy once the course has been booked
