FEBRUARY Half Term

We will be saying goodbye to Mr Clegg and Mrs Newport as they move onto pastures new. We would like to thank them for their time at St. Peter's. They will be sadly missed and we wish them both the very best!

We hope all our families have a lovely half term and we look forward to welcoming you all back on Monday 26th February at 8.40am.

LENT APPEAL 2024

This year we will be raising vital funds to support our neighbours, Wigan and Leigh Hospice. During Lent children will take part in short fitness activities each day eg. 40 star jumps, 40 burpees, 40 shuttle runs, 40 tuck jumps, 40 high knees etc. Our school staff team will also take part in the events.

We are encouraging children to ask relatives and friends for sponsorship for completing their activities. Please click the 'LENT APPEAL 2024' button below to donate.

[LENT APPEAL 2024](#)

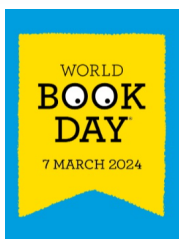

Please support us in raising as much as we can for Wigan and Leigh Hospice. Thank you for your continued support.

This year's theme at St Peter's is

'Reading For Pleasure'

We are inviting children to dress up in anything that represents what they enjoy reading this could be a character, an author, a topic etc.

If possible, we would like children to also bring in a hardcopy of the book that their costume represents or a printed image of their book to help promote 'love of reading' discussions within classrooms and around school.

BOOK FAIR!

Thank you all for visiting our book fair this week. It has been an amazing success and we have enjoyed seeing all the children exploring all the books

Wigan Borough family hubs

Family Hubs are a new way of bringing together all the support a family may need, from pregnancy through to young people turning 19 (or 25 if they have special educational needs or disabilities). Family hubs are here to help the whole family.

Working together to support families

Logos: Wigan Council, Wigan Community Foundation, Healthier Wigan, Greater Manchester Police

Here are some examples of what you might find in a Family Hub network within your neighbourhood:

- Health visiting, midwives and antenatal appointments and classes
- Activities for babies and children aged 0-5
- Activities and support for families of young people who have special educational needs and disabilities
- Support with a range of housing situations including homelessness, help with affordability, repairs and tenancy arrangements
- Help with debt and money worries including access to food parcels/pantries
- Ways to improve whole family health and wellbeing
- Ways to improve parenting and relationships including learning opportunities
- Activities and opportunities for young people
- Support with things like job searches, housing applications and booking appointments.

Where will family hubs be?
We are planning to have seven family hub networks operating across the Wigan Borough, which means if you live locally, you should always be able to find support in your neighbourhood.

When will they be here?
We have launched our first family hub, the rest will be in place by December 2024.

How can I find out more?
