MIDSHIRE SIGNATURE SERVICES

School Dinners

As of 4th March 2024 we welcomed our new catering provider Midshire Signature Services to create fantastic meals for your children. The system for pre ordering those meals has remained the same for the time being for ease of use. This means you can pre order in advance for the term, the week and even on the day. If you have preordered your child's lunch and they are absent, please can you cancel the meal, as without cancelling, the meal is still prepared and this would mean you will still be charged. Cancelling not only helps ensure you are not charged when your child is off but it also helps us reduce waste on site and support our trust wide environmental initiatives.

Skips Safety Net Keeping children safe online

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
