Trust 	When I am afraid I put my trust in you <i>(Psalm 56:3)</i>	We have trust in our family, teachers and friends, we have trust in God. Trust is earned. It is important to trust our friends. Trust is knowing people won't let you down. Trust does not happen overnight, it takes time to build.
Respect 	Do for others just what you want them to do for you. <i>(Luke 6.31)</i>	Treat others how you would like to be treated; respect others as you would want them to respect you.
Friendship 	A friend loves at all times and a brother is born for a time of adversity. <i>(Proverbs 17:17)</i>	Treat our friends with respect. We should help others and be kind. Offer support. The importance of forgiveness when our friends make mistakes. We should take care of each other. It is about being there when somebody may need you.
Resilience 	Don't be afraid and don't panic, for I, The Lord your God, am with you in all you do. <i>(Joshua 1:9)</i> I can do all things through Him who strengthens me. <i>(Philippians 4:13)</i>	When things gets tough, God is with you. Be strong and brave. Keep going - do not give up!
Love 	Love is patient. Love is kind, it does not boast, it is not proud...it is not easily angered, it keeps no record of wrong.. <i>(Corinthians 13:4-5)</i>	It's okay to make mistakes. To always be there for your friends. We love our friends and family. You can't always see love but it is there. Use your heart to love. It shows people you care about them.
