## Tuesday 10th October

The campaign recognises the importance of heightening awareness of mental health issues specifically in young people and providing them with strategies to help deal with any issues. Children in all year groups will be taking part in a number of activities linked to this important issue throughout the day.

In support of this we would like to invite children to come to school wearing something yellow.

Please note, this isn't a non uniform day and full uniform should be worn alongside your yellow item. It can be something as simple as a yellow hair bobble or a pair of yellow socks.
